

## WOMAN'S BOARD MEETING SHOWS FINE PROGRESS

The annual meeting of the Woman's Board of Missions for the Pacific Islands was held Tuesday, June 5th. After devotional exercises conducted by Miss Kathryn Adams of Kaula, the reading of annual reports of the secretaries, the treasurer, the superintendents of the various departments of work, foreign, Japanese, Chinese, Hawaiian, and Portuguese, and the associated groups of girls in Honolulu and board members of other islands. Music was rendered by Mrs. Westervelt, Deaconess-Polymor brought greetings from the ladies of the Episcopal church.

### New Buildings Opened

Noteworthy among the year's work are the six Christmas boxes sent to China, and the increase of interest taken by the Sunday School children, which made this increase possible. The Japanese Children's Home, and the new building at Kollifill have opened the way to more efficient work in many ways. The anticipated changes in the lower rooms of Fort Street church will make them available for wider use in that growing institution.

Officers selected for the coming year are: President, Mrs. Theodore Richards; honorary vice-presidents, Mrs. S. E. Bishop, Mrs. O. H. Guffick, Miss Margaretta Sheeley; active vice-presidents, Miss Alice E. Knapp, Mrs. Henry P. Judd, Mrs. R. D. Williams; recording secretary, Miss Dorothy C. Rowell; home corresponding secretary, Mrs. Edgar Wood; foreign corresponding secretary, Miss Agnes E. Judd; treasurer, Mrs. B. F. Dillingham; assistant treasurer, Mrs. John F. Doyle; auditor, Mr. W. After a social hour spent at the basket luncheon, served in the parish house, two speakers were introduced. Williams, who discussed methods of planning and organization, as carried out in the Woman's Board of the Pacific, in which Mrs. Williams has been active.

## RAIN IS NEEDED FOR CROPS AT HAMAKUA

According to reports from the Hamakua district, Hawaii, there has been very little rain there for some time and unless there is a change within a few weeks the 1918 crop is likely to be somewhat affected. There has been considerable rain in the mountains and the ditches have held up well, but a direct rain is greatly desired.

Reports say, however, that this year's crop is more than coming up to expectations. According to the managers of Honokaa and Pacific Mill the juice content of their cane is higher than for many years past.

Grinding is going steadily on in this district and it is expected that the work will be finished in schedule time.

## OFFICERS IN TROPICS MAY DRESS IN WHITE

Army officers in Hawaii and other subtropical and tropic places are thanking their lucky stars for the thoughtfulness of the war department in providing an occasional change of uniform from the service type.

According to word reaching here in orders from Washington, the war department has announced that during the continuance of the war all officers on active duty shall wear the service uniform, but that commanders of territorial departments may authorize the wearing of white.

## ARMY ORDERS

Pursuant to the requirements of General Orders No. 5, War Department, 1913, Maj. Joseph B. Douglas, C. A. C., department signal officer, will make not to exceed three trips during the month of June, 1917, to Schofield Barracks and Fort Shafter, T. H., and return, and one trip to Department Hospital, Honolulu, T. H., and return, for the purpose of inspecting the telephone systems at the posts named.

## PLAN LOCAL TRAINING SCHOOL

The training center for Y. M. C. A. secretaries which has been carried on here for several years has proved so encouraging that Dr. Jackson, Ed Towse and L. R. Killam all presented the idea of establishing a training school for Oriental secretaries in connection with the new Nuanuu association. Chinese and Japanese young men who are to serve the various associations in their native countries might well be trained in Honolulu, where the Orient and

## ANIMALS SPORT IN JUNGLELAND AT COUNTY FAIR

"I went to the animal fair—the birds and beasts were there, and the old baboon by the light of the moon was combing his auburn hair." This was the song that was at one time popular on circus day, and last evening at the Y. W. C. A. the refrain was sung by more than one who visited the County Fair, "The Best Show on Earth."

Hundreds gathered at the association building last evening, and the consensus of opinion was that the Astor County Fair had made good the nice things said of it. About \$300 was realized from the sale of the various articles, and this means a number of nickels and dimes.

Perhaps the big feature of the evening was the circus, which was under the guiding hand of Miss Marjorie Capps. Wild animals gathered from the dark jungles were there in number, and when Richard Trent caught a glimpse of his two wallabies, the expression on his face was such that the vast crowd congratulated him on the return of his boxing kangaroos. The wallabies boxed, and Benny Leonard, Battling Levinsky or Johnny Kilbane have nothing on them when it comes to performing in the hempen square.

Miss Capps handled the whip in excellent manner, and one sharp word of command brought even the wild beasts to bay. This feature, together with the animated vegetable garden, made the affair a big success. Mrs. Walter Fear was the proprietress and Mrs. Frank C. Atherton appeared as the gardener with great success.

The association building was profusely decorated with palms, flowers of all descriptions and with bunting. The booths did a lively business, and the ice cream, peanuts, candy and country store departments were very well patronized. Millinery and dress-making booths added to the many features.

## COMMITTEES ARE NAMED FOR Y. M.

President Frank C. Atherton announced several Y. M. C. A. committee appointments at the monthly meeting of the board of directors yesterday afternoon, all of which were ratified by the board. The following chairmen were named:

R. A. Cooke, finance; George C. Potter, house; Ed Towse, membership; E. A. Berndt, educational; R. H. Trent, boys; James Wakefield, intermediate; Harold G. Dillingham, physical; G. H. Tuttle, religious, and W. G. Hall, executive.

A chairman of the social work department will be named later. Robt. B. Anderson holds over as a member of the Bible study section, and Dr. A. F. Jackson will continue as chairman of the training center work. All committee appointments will be filled for the year during the summer.

Lloyd R. Killam, executive secretary for Oriental work of the association, was appointed to serve as city and executive secretary during three weeks of July, when E. A. Larimer, executive secretary, is on his vacation.

Ed Towse reported a total membership of 1701, of which 48 were voted in at yesterday's meeting.

The directors of the Chamber of Commerce held their regular monthly meeting next Wednesday at 2 o'clock, and Thursday at 2:30 o'clock the board of retail trades of the chamber will meet.

The meeting of the civil service commission to hear the charges of Captain George Clark, commandant of the naval station, against the police for brutality, has been postponed until Thursday, June 14.

Post mortem examination of Manuel Silva, aged employee of the Oahu Railway Company, who died yesterday afternoon, showed that his skull had been fractured. Silva fell from the top of a car standing in the company's yards. Dr. R. G. Ayer, police surgeon, conducted the examination this morning.

## MOONLIGHT DINNER DANCE AT HEINIE'S AFTER RACES

It is expected that many of those attending the first day of the races at Kapiolani Park will spend the evening on the spacious open air cafe at Heinie's Tavern, "on the beach at Waikiki."

Special arrangements have been made to take care of the crowd and a most enjoyable program prepared. The feature of the evening will be the moonlight dinner-dance to be followed by musical entertainment during the whole evening—Adv.

## THREE SOLDIERS DIE

Two negro recruits have died at Schofield barracks recently of pneumonia. Their bodies have been taken to Silva's undertaking parlors. Both were of the 25th Infantry. They were Clayton H. ## COHEN SPENT \$7313 'ALL HIS OWN,' HE SAYS

"Every cent that was spent in my campaign came out of my own pocket, which accounts for my expenses amounting to \$7313.75," said J. C. Cohen, Republican candidate for mayor in the primary. "More money than that was spent in the campaign of John C. Lane, but as other people put it up, it naturally does not figure in his expense account. This is very likely true of other candidates. I am not ashamed of the amount, for it was honestly spent."

According to the official statements filed with the clerk Cohen spent \$4947.70 for personal expenses, \$1704 for printing and advertising, \$649 for public meetings, \$246 for rent of buildings, \$238 for clerks and messengers, \$200 for postage and stationery, \$124 for watchers at the polls and \$10 for nomination fees.

"In regard to the statement that much of my personal expenses went for free booze I want to say that I did not spend one cent for liquor and during the entire campaign I never went inside of a saloon," Cohen said.

## H. M. A. IS ERECTING NEW SCHOOL BUILDING

The Honolulu Military Academy is erecting a new high school building and perfecting other improvements, all of which will cost in the neighborhood of \$15,000, and be completed by the time school opens for the fall term next September. Six cadets will be graduated from the academy this month.

## POLICE COURT HABITUE GETS 6 MONTHS' TERM

A notorious police court character who appears periodically for drunkenness, will not bother the attendants for six months. He is known as Jack No. 1, there being another Jack of similar habits or lack of them who carries the distinguishing cognomen of No. 2. Jack No. 1 was out on a suspended sentence when his halting footsteps shuffled before Judge Irwin yesterday and he drew three months on that suspension. That he might not feel neglected the judge tacked on another three months' sentence for the present offense.
